View this journal online at <https://storkibisspoonbill.org/sis-conservation-publications/>

## AIMS AND SCOPE

*SIS Conservation (SISC)* is short for "Stork, Ibis and Spoonbill Conservation" and is a peer-reviewed publication of the IUCN SSC Stork, Ibis and Spoonbill Specialist Group (SIS-SG). *SISC* publishes original content on the ecology and conservation of both wild and captive populations of SIS species and Shoebills worldwide, with the aim of disseminating information to assist in the management and conservation of SIS populations and their habitats worldwide.

We invite anyone, including people who are not members of the SIS-SG, to submit manuscripts.

The views expressed in this publication are those of the authors and do not necessarily reflect those of IUCN, nor the IUCN SSC Stork, Ibis and Spoonbill Specialist Group.

## PUBLICATION COPY RIGHT

*SISC* is an Open Access publication, and copy rights of all material remain with the authors. *SISC* does not charge authors, readers or their institutions for access to its contents. Articles accepted in *SISC* will be published online shortly after acceptance and will be freely downloadable.
